## TV presenter Andrew Parisin 'critical condition' after gun mishap

ANDREW PARIS, the 51-year-old writer and television presenter, is fighting for his life after shooting himself in the stomach with a pistol.

The accident is reported to have happened at his Oxfordshire home in the early hours of Sunday 2nd June, although the specific circumstances surrounding the event remain unclear. It is believed that Mr Paris, best known for his long-running documentary series *The Judgement of Paris*, had been hosting a dinner party the previous evening.

An ambulance was called around 1.00 am Sunday morning, according to neighbours.

Doctors at St Thomas Hospital, outside Oxford, confirmed that Mr Paris is in a 'stable but serious' condition. He has yet to regain consciousness.

Thames Valley Police are not investigating the incident.
